

Vision 2030

Gaps/Issues and Opportunities in Seniors' Services in Alberta

Sheree Kwong See
Catherine Douglas
Karen McDonald

Breakout Session November 13, 2019

Objectives

- Provide a report on current status, gaps and issues in current seniors' services in Alberta
 - Perspectives from government advocate offices and non-profit community senior serving organizations
- Provide suggestions to government and policy makers to address gaps and issues

Scenario

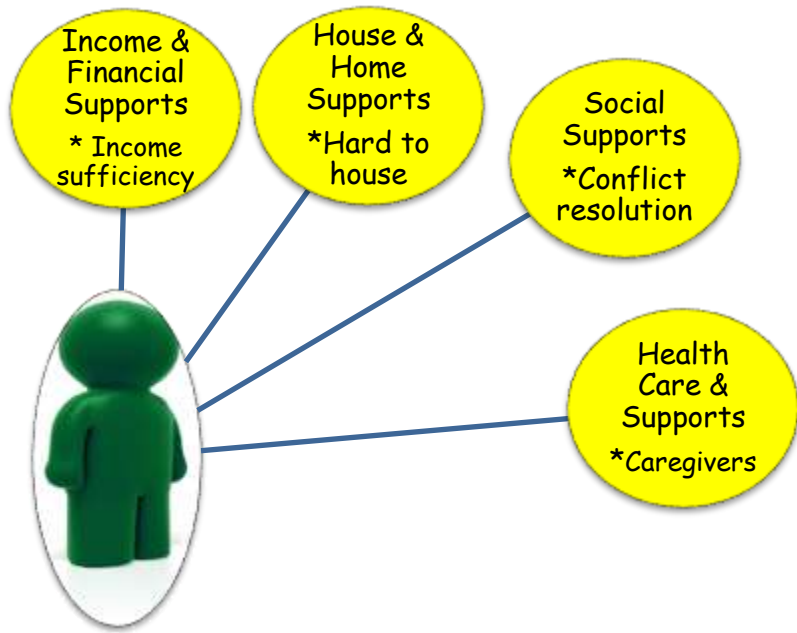

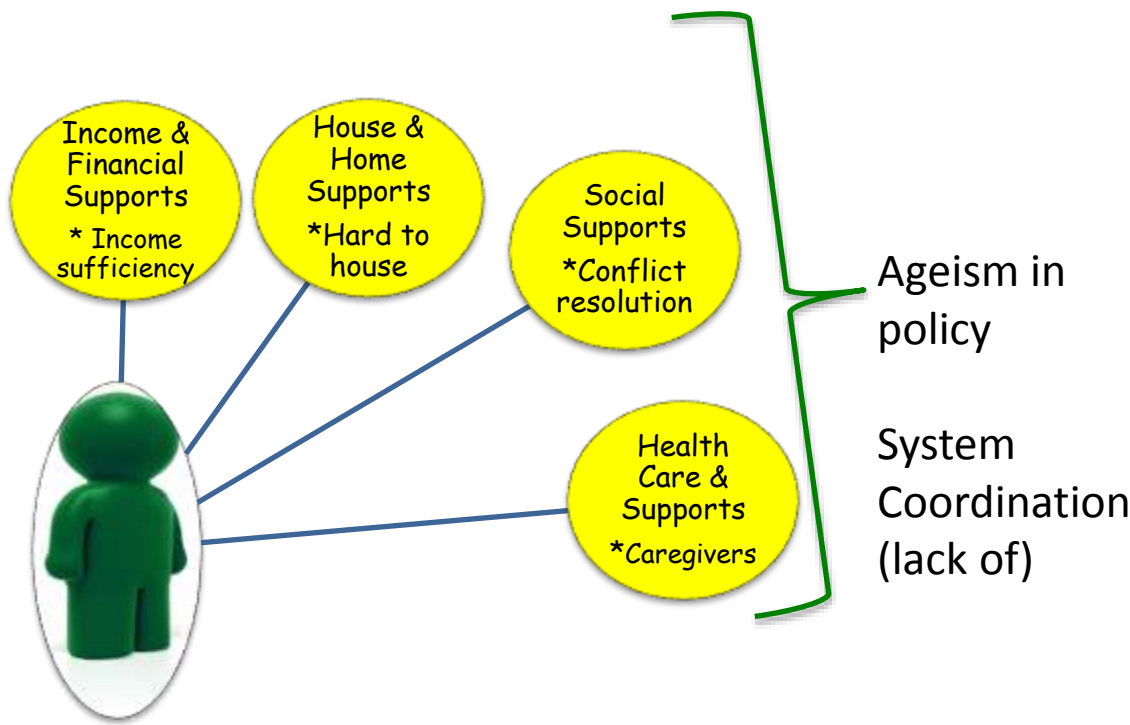

Heterogeneity is the hallmark of aging.

Scenario

Udo Smith
78-years-old

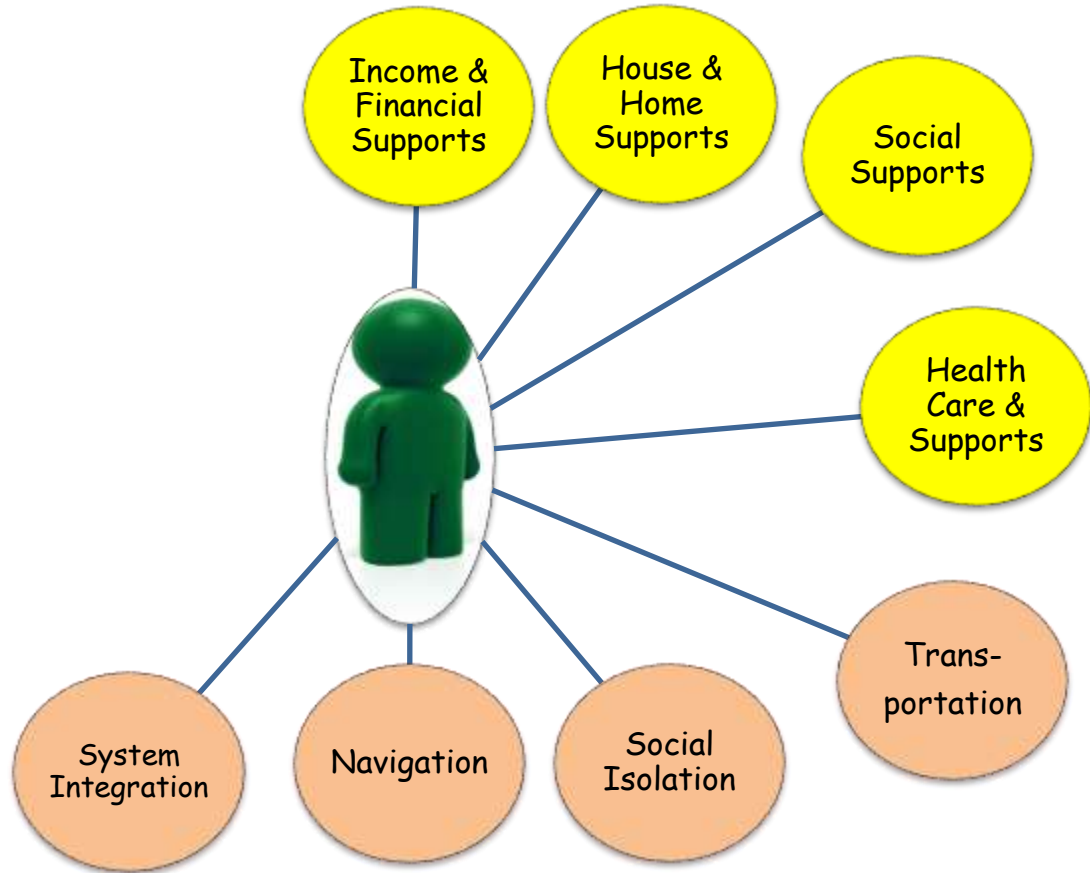

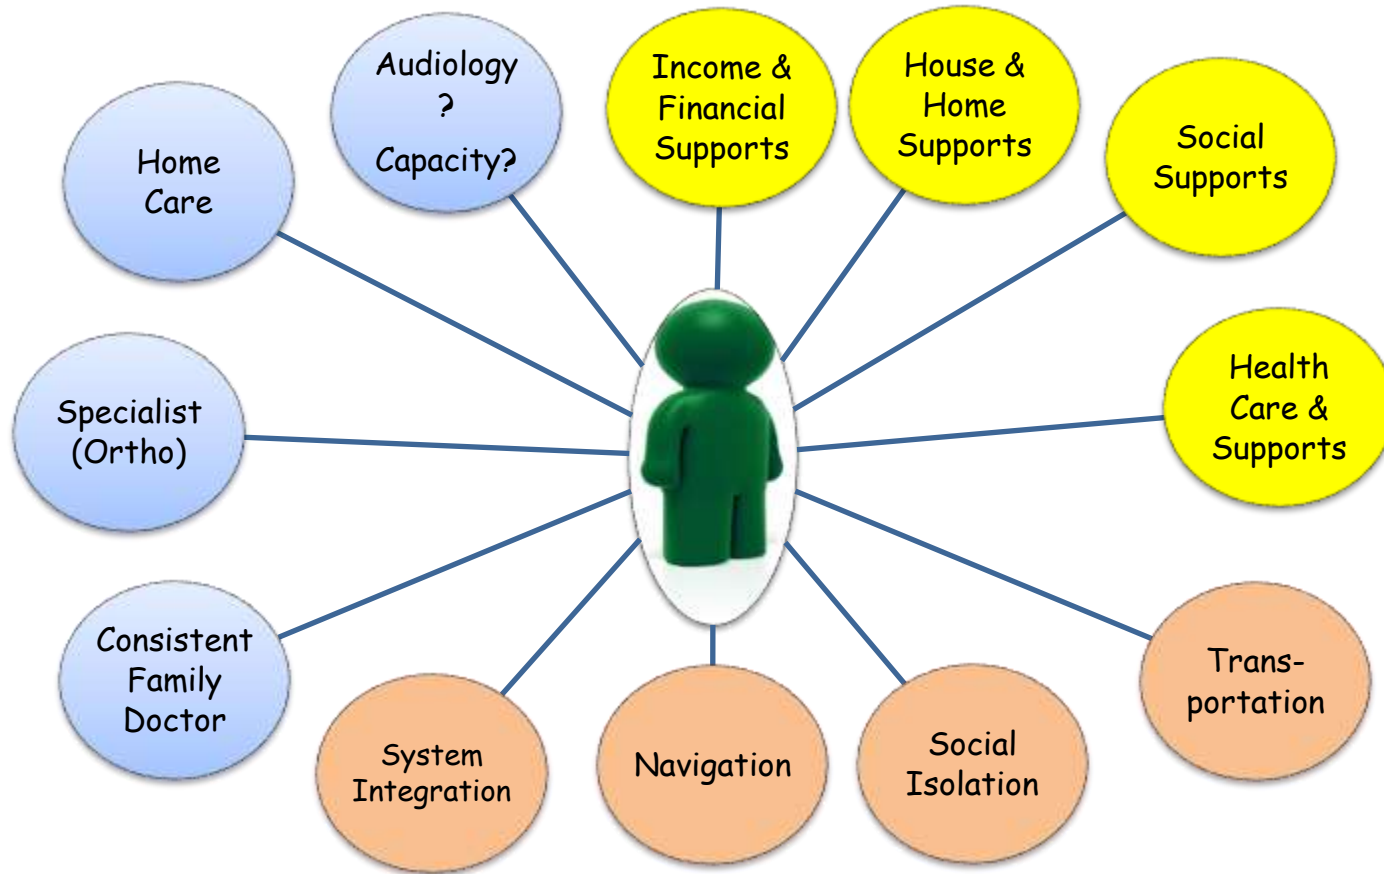

Toward solutions

- Policy development and services
 - Flexibility to deal with heterogeneity (diversity) and “change”

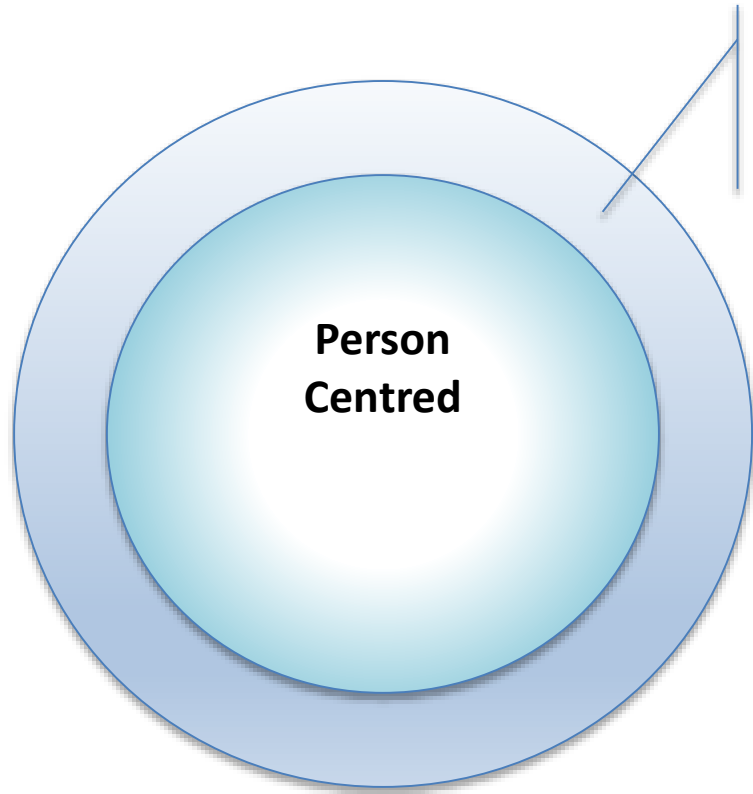

- System coordination
 - Coordination, cooperation
 - “navigators“, “advocates”

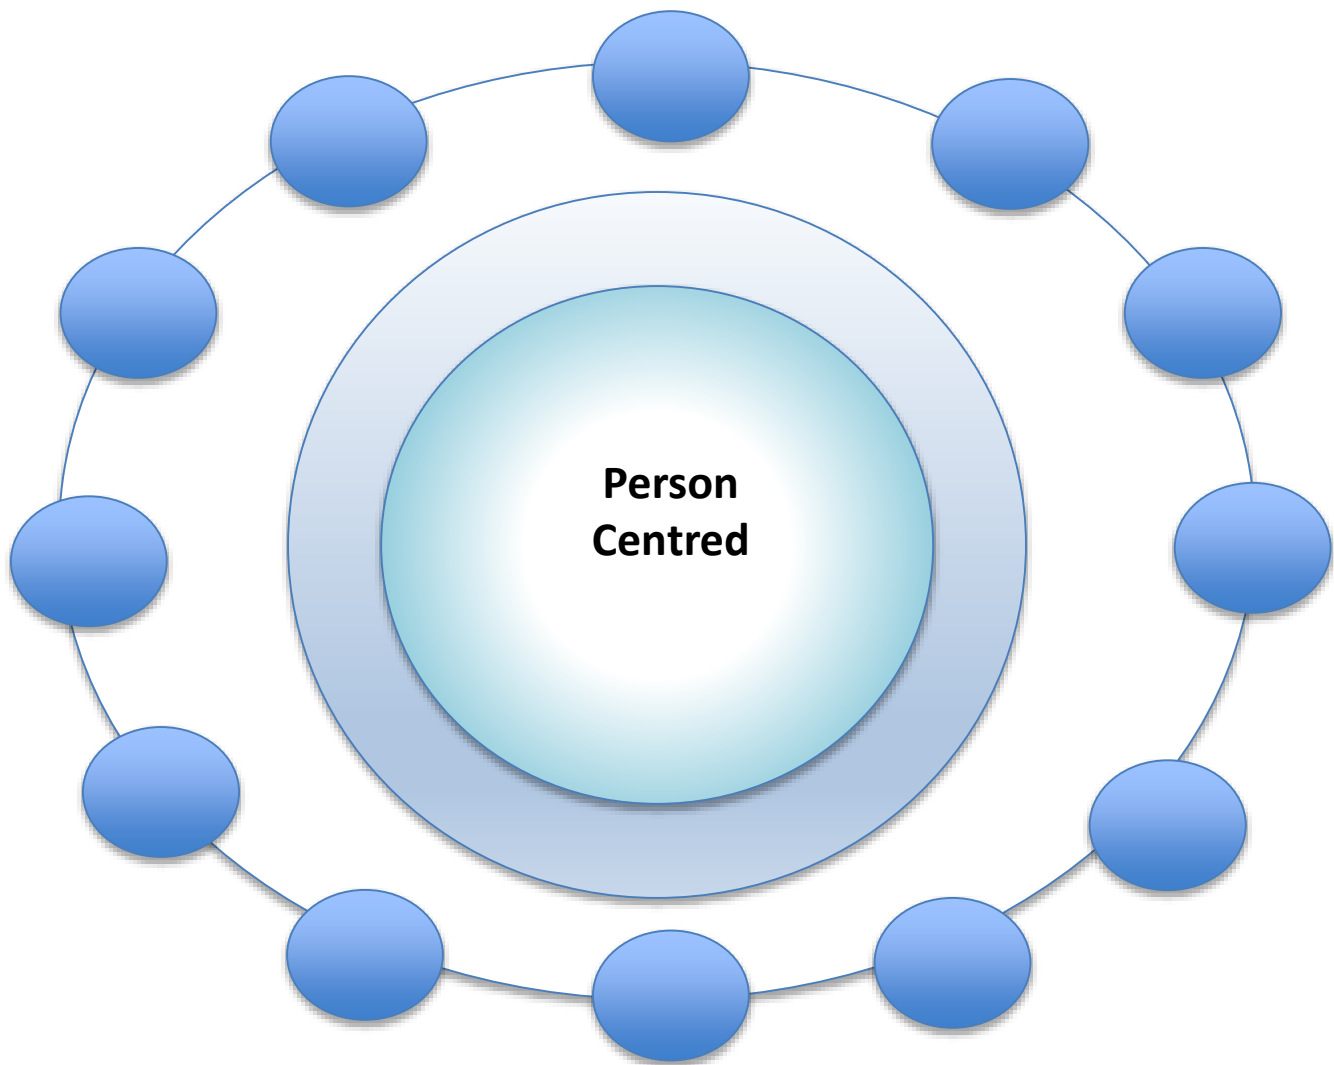

**Person
Centred**

Community based
linkage role

Outcomes

- ✓ Report on current status, gaps and issues in current seniors' services in Alberta
 - ✓ Perspectives from government advocate offices and non-profit community senior serving organizations
- ✓ Provide suggestions to government and policy makers to address gaps and issues
